

The 2nd Annual Jazz4Justice Juneteenth Festival in DC will take place on Monday, June 19th, 2023 (Juneteenth Holiday) for an event of live music and activism to help close the Justice Gap.

Presented by Jazz4Justice, Jazz4Justice Juneteenth will bring out hundreds of DMV residents to enjoy back-to-back sets of live music, an art exhibit, free food, a raffle, and more.

The event is free and open to the public, with a suggested donation of \$20 at the door. Any money raised above the costs of the event will go directly toward pro bono legal services for low income individuals with civil legal cases.

About Jazz4Justice and the Justice Gap:

According to the 2022 Justice Gap Report, low-income Americans did not receive any or enough legal help for 92% of their civil legal problems. 74% of low income households faced at least one civil legal problem in the past year alone. This discrepancy between legal representation for civil cases and the need for legal services for low-income individuals is known as the "Justice Gap". (Source: 2022 Justice Gap Report, Legal Services Corporation) Jazz4Justice helps close the Justice Gap by creating partnerships for concerts and festivals in order to raise funds to support Legal Services and Jazz Scholarships.

Jazz4Justice is now seeking a lead sponsor to help us reach our \$5,000 fundraising goal. Partnering sponsor benefits include logo on the poster, signage on the day of the event, mention from the stage, full 3-week promotional campaign leading up to the event, mention in the press release, complimentary Jazz4Justice merchandise, and the opportunity to display/distribute promotional materials at the event. Jazz4Justice events take place year round across multiple cities in Virginia and DC. Depending on the level, the sponsorship may also include mention in programs across the state of Virginia and DC.

Jazz4Justice raises public awareness and funds for Legal Aid and music scholarships. We do this by forming collaborative partnerships with the legal community, the business community, the music community, and Universities.
